In response the the FEC letter dated September 15, 2011 addressed to Community Financial Services Association of America PAC (C00432534) the following reports have been amended to correct the discrepancy in the opening and closing cash on hand balances.

30 day Post-General (2010); January 31 Year End (2010); July 31 Mid Year (2011)

The discrepancies were caused by a lost of FECfile datafiles. Once the datafiles were rebuilt all balances are correct.
